Leave the city behind and enjoy the peaceful, scenic, Sonoran Desert on horseback. Call today to book your reservation.

Never rode a horse before? Worry not! We have the right mount for you! No experience is necessary for our rides and the Group tours are great for families and friends. After you are horseback, your guide will lead you through scenic trails with endless views of saguaros and the possibility of spotting desert wildlife.

Come horse around!

There's much to see here. So, take your time, look around, and learn all there is to know about us. We hope you enjoy your visit to our little slice of western heritage!

Come on in!

There is no fee to enter and explore the ranch from November through September. It is free to the public though donations to assist with feeding our amazing animals and help maintain the property are greatly appreciated! We do charge an entrance fee in October for our Annual Pumpkin Patch, and we can be closed due to weather or a Private Event! Always call-in advance before taking a drive to the Ranch to confirm that we are open to the public that day!

Petting Zoo

We have a large walk-in petting zoo available for you to explore at your leisure! It is complete with pigs, chickens, peacocks, goats, sheep, and miniature ponies. All looking for you to pet and give them lots of love.

Games

While you roam around the Ranch you will find some yard games that you are more than welcomed to play! Try roping a steer, play a game of connect four, giant "jean"-ga, horseshoes, and more! Plenty to keep the whole family entertained for hours.
